

## Temperature Fusing Type Resistor

TPR

### Feature

- Over current protection under high environmental temperature. (125°C).
- UL approved (UL1412)
- Not recovering type. (Complete cut off)

### Applications

Lighting equipment  
Motor protection

### Specifications

Part Number	TPR1C
Size	9.0 x 5.0 x 10 mm
Rated Power (W)	1.0
Resistance Range	2 ~ 10K $\Omega$
Tolerance	J ( $\pm 5\%$ )
Withstanding Voltage (V)	250 V
Lead length	18+/-3 mm
Working Temperature	-40 to + 105 °C
