

Balance Resistor RMP series

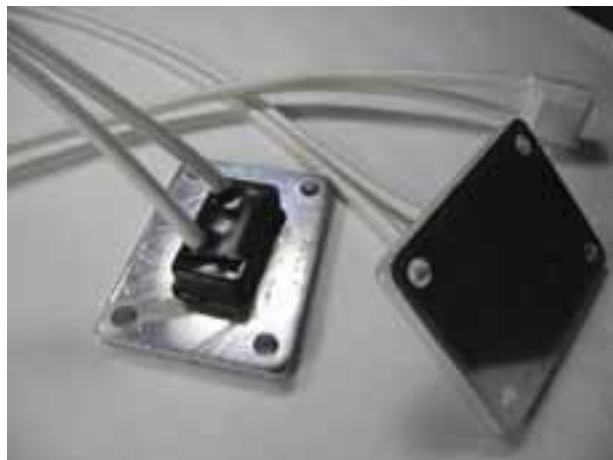

RMP 1607

Feature

- Screw fixing heat sink attached
- High Power
- Custom design

Application

- Capacitor balance resistor
- Capacitor discharge
- High Voltage Power supply

Specification

Rated Power (70 ° C)	20W
Operating Voltage max	1000V DC. AC
Resistance range	1K ~ 400K
Resistance Tolerance	J (5%), G(2%), F(1%)
Lead wire	2-wire or 3-wire
