

Cement Filled Metal Oxide Film Fixed Resistors

RGGT series

Feature

- Frame-proof
- High resistance value
- High Power

Application

- Power supply circuit protection
- TV set
- Audio equipment
- Communication equipment

Specifications

Rated Power (70 ° C)	1.0, 3.0, 5.0 7.0W
Operating Voltage max	500V
Resistance range	0.2 ~ 100K (E 24 series)
TCR	+/- 400 ppm/
Resistance Tolerance	J (5%)
